Education

MS, Cartography and GIS	BA, Honors in Art History
University of Wisconsin–Madison	University of Wisconsin–Madison
Expected Graduation December 2019	May, 2017

Experience

Cartography Lab Fellow   May 2019–Present
University of Wisconsin-Madison Cartography Lab   Madison, WI
- Collaborated with clients and colleagues to define the content and aesthetics of various maps and graphics
- Participated in weekly Skype meetings regarding a long-term publication project and represented the Cartography Lab in these meetings when supervisors were unavailable
- Developed software proficiencies in Adobe InDesign and Blender through various client projects

Student Office Assistant/Museum Store Associate   September 2018–Present
Chazen Museum of Art   Madison, WI
- Served as visitors' first point of contact both in person and by telephone
- Referred visitors to full-time staff best suited to answer their questions
- Assisted full-time staff on day-to-day projects

Contributor/Editorial Intern   January 2018–Present
BRAVA Magazine   Madison, WI
- Wrote articles for print and web publication, including one feature story
- Coordinated with BRAVA's editorial team on story ideas, goals, and deadlines
- Interviewed sources and subjects from diverse backgrounds to ensure truthful and authentic writing

Archives Intern   June–August 2018
Monona Terrace Community and Convention Center   Madison, WI
- Organized and digitized archived materials related to Monona Terrace history
- Established an online archival system for future research

Landscape Intern   September 2017–April 2018
Taliesin Preservation, Inc.   Spring Green, WI
- Engaged both expert and novice audiences on tours of the Taliesin property
- Adapted tour content to suit the needs of specific audiences
- Researched the history of Taliesin's orchard and vineyard, and identified future maintenance strategies
- Participated in weekly landscape maintenance days and helped to coordinate volunteers, care for Taliesin's gardens, and remove invasive plant species
